

FUN IDEAS FROM OUR GWRRA MEMBERS

KANSAS DISTRICT

National Potato Day on August 19th for the monthly meeting. Twenty-eight people were in attendance including our friend Rob Schmidt who returned to Kansas to say hi. Even though there were many groans when the trivia was announced, seven people answered six of the ten questions correctly. Guess they knew more about potatoes than they thought. Thomas Jefferson was the first president to serve French fried potatoes in the White House. You may remember that he also was the first to serve macaroni and cheese in the White House. He must have been an adventuresome eater, trying lots of different foods. Mr. Potato Head was the first toy to be advertised on television and the average American eats about 125 pounds of potatoes each year. Some little-known facts in case potatoes are a category in the next trivia contest in which you participate.

INDIANA DISTRICT

We are also camping every other weekend and loving being outdoors sitting around the campfire with friends and family in the evening. Campers do a thing called, “You have been ducked”. It is a fun way to meet campers. You get a rubber duckie with a note saying that you had been ducked, where you were ducked at and by who then the next time you go camping you pass along your rubber duckie to another campsite and meet them. What a fun way to meet new people who enjoy the same things you do. I am working on a way to “Wing” new people that ride motorcycles...

IDEA TO INCREASE CHAPTER PARTICIPATION

NEW YORK DISTRICT

The Chapter of the Year Program was created to recognize the significant achievements of a Chapter that excels in all areas of Chapter Life, and as they participate, they experience all the Fun activities and GWRRA programs. When a chapter chooses to enter the program, they become stronger and healthier as a result. Although 2020 was a challenging year, some chapters were still able to participate, accumulating points to be credited towards the Chapter of the Year Program. It was our pleasure to present The Chapter of the Year Award to NY-U, with a Plaque, along with \$100 for the most points earned in the Dash For Cash program

EDITOR’S NOTE: THIS IS A FORMER PROGRAM THAT IS NO LONGER DONE AT THE NATIONAL LEVEL BUT CAN BE DONE AT THE DISTRICT LEVEL. THE DISTRICT CAN DEVELOP THE GUIDELINES. I WOULD LIKE TO THANK YOU FOR IDEAS AND LOOKING FORWARD TO MORE AS WE HAVE THE RIDING SEASON COMING TO A CLOSE IN OUR NORTHERN TERRITORIES.PLEASE FEEL FREE TO SEND THEM TO ka2brs@hotmail.com
